

Bushy Hill Nature Center Presents:
The Young Naturalist Program for Home Schooled Children and
Families
2009-2010

Hello All,

This year marks the 19th year of home school programs at Bushy Hill. As always our goal is to help kids and adults develop a strong sense of place, an intimate connection with nature and a reverence for all life. We believe that as people grow in their understanding of the natural world, they in turn grow in their understanding of others, and ultimately, of themselves.

Like last year we offer 12 Friday morning classes which will run from 9:30 to 11:30, as well as giving the option to sign up for an additional seven meetings. This would allow for a more focused learning and a greater development of community. We look forward to seeing all of you in September.

All good things,

Erik Becker & Kelly "Noodle" Way

2009-2010 Schedule

All classes are on Fridays and begin at the Gym field promptly at 9:30 and end just after 11:30. Families are welcome to bring picnic lunches for after the program. Please bring comfortable clothes, water bottle, & snack.

September 18- Fall hike to Look Out Point.

October 30 - Exploration of Cedar swamp and upper pond.

November 13-Adventure hike to sandy beach and berry berry island.

December 4 - Survival shelter building.

December 18- Cordage and wooden bead making in the Nature Center.

February 5 - Safe fire making and S'mores.

March 5-Animal tracking and awareness.

March 26- Outdoor Cooking.

April 9- Spelunking at the Bushy Hill Nature Preserve. Meet at camp first.

April 30- Pond probe and fire at the quarries.

May 7 - Spring canoe trip on Bushy Hill Lake

June 11- End of year adventure at Hammonasset state park. Meet in Meigs point parking lot off I-95 exit 62.

The cost of these 12 programs will be \$160. Each additional child will be only \$90. Adults and children under five are free. Space is limited!!

The seven extra sessions will be spent developing a more in depth connection with nature through **sit spot routines, story telling, wandering, exploring, adventuring, spelunking, journaling** and **studying plants, trees, and animals.**

The dates for the seven extra sessions will be: Nov. 20, Dec. 11, Jan. 8, Jan. 22, Feb. 12, April 2, and April 23. The cost of these seven programs is \$90. (*Due to program costs at least 6 participants are necessary for the extra sessions to run.*)
